Report on HOPE Activities

HOPE is very much pleased to share the information on its activities over the years since the start of its operation. In an attempt to make the Report short and sweet, as much as possible, pictorial illustrations have been given priority rather than text.

Statistics on HOPE Scholars and Disbursement of Scholarships

During the last academic year [2014-'15], HOPE has disbursed Rs 13.75 Lakhs as HOPE Excellence Awards to 242 No. of outstanding children from 148 Govt./Govt. aided schools from 12 districts of Kerala.

A diagrammatic district wise illustration of the above is as shown below. This is the current statistics of the last academic year [2014-'15].
